SCHOOLS (DEPARTMENT OF EDUCATION [CDE])

Butte County

- CDE's Office of Learning Environments had representatives in Butte County, with school facilities experts to try and assess how to help the impacted districts and schools reopen as quickly and safely as possible. These efforts will continue, and the CDE is in the process of securing an emergency contract to cover services.
- Superintendent Torlakson and Superintendent-elect Thurmond are both attended the 9:30 press conference at Butte County Office of Education. Torlakson's press release [found here](#) provides official comments and updates. Other official updates (including instructional locations for displaced students) are available here: https://www.bcoe.org/live_feed
- Schools in Butte county reopened 12/3/18 for all students, using temporary facilities and alternative modes of instruction to accomplish this task.
 - 87 schools with about 28,032 students returned to their school of origin (either in the original location or facilities designated in the press release linked above).
 - 1,520 7-12th graders will be provided independent study on a temporary basis.
- Paradise Unified continues to look for temporary facilities and develop long range facility plans.
